Atomberg Limited Warranty(India)

Terms and Conditions:

1. The warranty is valid only in India.
2. Atomberg provides a Limited warranty. The limited warranty is not transferable to subsequent owners.
3. Repairs under warranty period shall be carried out by Atomberg Authorized Service Partner personnel only.
4. If, date of activation is not available then customer will have to produce valid POP for claiming repair warranty. However, final warranty condition will be decided basis Elementary Level Screening (ELS) of device performed by ASP.
5. In the event of repairs of any part/s of the unit, this warranty will thereafter continue and remain in force only for the unexpired period of the warranty. The time taken for repair and in transit whether under the warranty or otherwise shall not be excluded from the warranty period.
6. Warranty does not cover user manuals, un-authorized repair, non-manufacturing defects or any normal wear and tear.
7. Warranty does not cover If the original serial number is removed, obliterated or altered from the product.
8. Warranty registration is to be done within 1 year to avail extended warranty.
9. Loss or Damage in Transit- All claims related to loss, shortage, damage or breakage to Goods received shall be registered in writing within 7 days of delivery. Claims outside this period will not normally be considered by the Company.
10. Storage condition: After delivery of the product, customer/channel partners must crosscheck the packaging to see product is free from any damage. Product must be stored in dry place/room temperature. No related claim of damage will be entertained after 7 days of delivery.

Warranty is not valid if:

1. The defects or modification or alterations of any nature made in any part of the product by the purchaser or unauthorized personnel, as determined by Authorized Service Partner.
2. Warranty does not cover damage due to battery leak inside remote
3. Warranty does not cover voltage supply other than 160V - 250V.
4. For remote variant Fans, Use of regulator is strictly not permitted and warranty will be void for any damage to the fan and its components due to use of regulator
5. Warranty does not cover if the damage to motor winding due to usage of power supply through inverter/generator or beyond voltage range.
6. Company shall not be obliged to undertake repair of products found waterlogged, liquid damaged or tampered because of repair carried out by unauthorized repairers.

Warranty Limitations:

1. Company is not liable for any delays, non-performance, failure or non-delivery of the products to contingencies arising from any force majeure, acts of GOD, storm, earthquake, accident, strikes, lock-out, industrial dispute, labor trouble, Pandemic, transportation embargo, imminence or the existence of any state emergency, war, war like condition, civil commotion right, inability to obtain any material, refusal of license, approval or imposition of sanctions, any measures taken by government which renders it impossible or impractical to company to perform, supply, service or deliver the product to the customer.
2. Warranty does not cover if the Defects caused by household pets, rats, cockroaches or any other animals or insects.
3. Replacement of parts would be purely at the discretion of ATPL alone. In case the replacement of the entire unit is being made, (subject to the sole discretion of ATPL), the same model shall be replaced and in the event such model has been discontinued, it shall be replaced with the model equivalent as deemed by ATPL.
4. Replacement/swapping will only be done after service technician's report evaluation done by ATPL's technical head
5. In case, due to any reason ATPL or ATPL's ASPs unable to reach on location then " Customer has to bring in the product to the nearest service center for service" at own cost.
6. No warranty will be provided against the accessories purchased by the customer (Unless wrong/damage/non-functional items)- Same has to be claimed within max 7 days of delivery.
7. Company reserves the right to reject any service request from a particular area if the Company does not have any authorized service center in such area.
8. Certain parts of the equipment are not covered by the ATPL warranty due to the fact they require replacement after multiple uses. For example: All buttons, Seal, Outer connectors, etc. These parts will eventually require replacement at the owner's cost.

Additional Warranty conditions:

1. Warranty wobbling issue will be considered only within 30 days from the date of purchase.
2. Repairs carried out by company on out-warranty product are warranted for a period of 15 days from the date of handing over of the products to the customers. Related claim will be processed against the similar symptom & part related concern only.
3. ATPL will repair / replace any defective parts and correct any problems resulting from workmanship free of charge. ATPL reserves the right to use reconditioned parts with performance parameters equal to those of new parts in connection with any services performed under ATPL limited warranty. Defective parts needs to be submitted to ATPL or Authorized Service Center and becomes property of ATPL.
4. The Company and the customer agree that there will be no complete replacement of the 'Atomberg' product whatsoever. Only claims within terms and conditions of the warranty will be entertained.
5. Acceptance of the equipment and completion of the job are subject to availability of spares. If the equipment cannot be repaired due to non-availability of spares, the equipment will be returned to the customer 'return without repair' condition after charging the inspection charges.
6. In the event of refund, subject to the sole discretion of ATPL – Beyond serviceability cases, Request will be processed on pro-rata basis w.r.t. remaining warranty duration.
